## **INTERNATIONAL ASSOCIATION FOR MUSIC & MEDICINE BOSTON CONFERENCE CANCELLED**

Out of an abundance of caution for the health and wellbeing of our community, we have made the difficult decision to cancel the IAMM 2020 Conference in Boston. Over the coming weeks, we will be working expeditiously to process conference registration refunds. We appreciate your patience during this time. IAMM will be developing plans to virtually share some of the valuable research and knowledge that were to be presented at the conference. You will be informed about the next IAMM conference as soon as plans are formalized.

I want to take this opportunity to thank all those who have contributed to the planning and programming for IAMM 2020. Work on our shared mission to integrate music and medicine will flourish with your continued involvement and support of IAMM.

Wishing you health and harmony through these unusual times,

Patravoot Vatanasapt, MD  
President, IAMM
